

Summer Slip Release Form

I, the undersigned, intend to occupy a summer slip at the **Concord Yacht Club**.

Under no circumstances does the **Concord Yacht Club** assume responsibility for damage to or loss of any sailboat. In the event of damages incurred by a member's sailboat, another sailboat or sailboats, and/or Club property, responsibility lies solely with the owner of the sailboat at fault. It is incumbent on all summer slip occupants, therefore, to work in concert to protect the docks and equipment.

All sailboats located in a summer slip must be secured to the dock with appropriately sized line. All lines and attachments are to be maintained in good repair and replaced as is necessary for the safety of all sailboats at **Concord Yacht Club**.

Sailboat owners are held responsible for the continual maintenance of their dock lines. This includes adjusting dock lines for lake level fluctuations. In the event of a failure of this equipment, the sailboat owner shall be solely responsible for any resultant damages, which occur either to the owner's sailboat, other sailboats, and/or Club property.

It is required that sailboat owners maintain two (2) bow lines, two (2) stern lines and one (1) spring line. The size (diameter) of your line depends on the size and weight of your boat. The following is an approximate guide.

Line Diameter:

Boats under 20 feet - 3/8" Boats 20 to 30 feet - 1/2" Boats 30 to 40 feet - 5/8"

If your boat is heavy for its size, consider going up one size in diameter. A boat cannot be damaged by having its dock lines a bit oversized; lots of damage is done by lines that are too small.

I agree that **Concord Yacht Club** has not represented in any way the suitability, strength, or condition of said summer slip and its attachments.

I agree to inspect the summer slip and its attachments, and, if the same is unsuitable, that I will either repair or refrain from the use of said summer slip, and will promptly notify **Concord Yacht Club** of the defect.

Signature: _____

Print Name: _____

Boat Model & Length: _____

Draft & Beam: _____

State Registration # & Expiration Date: _____

Emergency Contact Number: _____

Date: _____

Summer Slip Assignment: _____

Return a signed copy to the **Concord Yacht Club** Harbor Master at the address below. Upon receipt of this completed, signed form your summer slip will be assigned.
