Sail Camp 2010

Sail Camp 2010 is just a few months away! **Concord Sailing Center (CSC), the non-profit sail training organization of the Concord Yacht Club**, would like to invite all our friends back for a great summer of sailing. Please fill out the registration forms as soon as possible to reserve a place in the program. To maintain the highest quality of instruction possible, there is a limit to the number of camper that we can accept for each session and must consider applications on a first-come, first-serve basis. (Note: CYC members' children and grandchildren are given registration priority until April 15th). So do not delay sending the application, the dates for this summer's sessions are:

- **Session 1: June 7 - 11, for advanced and intermediates and some beginners**
- **Session 2: June 14 - 18, for advanced and intermediates and some beginners**
- **Session 3: June 21 - 25, for intermediates and beginners**

- **Extended Sail : June 28 – July 2, additional sailing time in afternoons, more info & sign up during Sail Camp**

The Concord Sailing Center is a non-profit organization dedicated to training of sailing and racing. The CSC Sail Camp is run out of the Concord Yacht Club on Ft. Loudon Lake near Knoxville, Tennessee. Sail Camp is open to all children **8 - 15 years old**. The only requirements are that they have an interest in sailing and **MUST be able to swim 50 yards, using any stroke and without life jacket, in sailing clothing and shoes**. Sailing instruction is provided for beginners through advanced levels by US Sailing certified instructors. The instructors are assisted by Training Assistants and Volunteers from the Concord Yacht Club. All off-water activities such as lunches, snacks, and afternoon games, are organized and supervised by parent volunteers. A fleet of Optimist, Sunfish, and JY15 sail boats are used for on-the-water sail training.

We are offering four one-week sessions. All sessions will be similar in format, and each session will be held Monday through Friday. There will be a regatta for the advanced and intermediate sailors on Friday, late afternoon of the first two sessions. There will be a Big Boat Ride on Wednesdays of sessions 2 and 3. A cook out will be held at the ends of sessions 2.

As always, the Concord Sailing Center is excited about organizing Sail Camp. Our nationally recognized program has been going strong since 1993. Our goal of providing a fun and safe environment where the kids of our community can learn to sail could not have been accomplished without the many great volunteers. As our program has grown, we have relied on volunteers to help keep the cost of Sail Camp reasonable.

We welcome parents to assist us with on-shore support, boat maintenance, errands, general help, snack and lunch time supervision, and afternoon activities. Parent volunteers will receive a credit of \$40 towards the total camp fees. This year we are asking parents, who wish to volunteer, to sign up for a one half-day (4 hours) time slot per week for each camper they send. Parent volunteers are required to attend an orientation session to be held in conjunction with the **Parent Meeting, May 23rd**, at 5:00 PM at the Concord Yacht Club.

Included in the cost of sail camp is a boat user fee and a parent volunteer fee. The boat user fee will be waived if you supply a boat that can be used in the Sail Camp program. The parent volunteer fee will be waived if you volunteer to help in Sail Camp a minimum of one-half day per participant during the week. Refreshments and snacks are provided in the cost of camp. **However, campers must provide their own lunches.**
